

ADULT WORKSHOPS ALTERNATIVE SESSIONS:

All of the adult attendees will automatically be registered for the morning session with Dan Dubovsky and the afternoon session with Pat O'Brien ([click here for a description](#)).

However, a smaller alternate session will be held in the morning and afternoon session.

Alternate morning session:

Alternate morning session for individuals and couples considering adoption is, "How To Get Started, Adoption Basics." Mary Jo Wolfe from Adoptive Families with Information and Support (AFIS) will give an overview of the adoption process, timeline, available children, adoption agencies, home study process, post placement issues, resources.

Alternate afternoon session:

Alternate afternoon session is for professionals only, "Fetal Alcohol Spectrum Disorders." Dr. Dan Dubovsky will present a seminar on current issues. CEUs will be available.
